Welcome

Welcome to the Emerald Cultural Institute. We are all very excited to welcome you to our wonderful city and to help you make the most of your stay by experiencing the best of Dublin. This handbook should provide you with all the relevant information you may need for your stay in Ireland, however please don't hesitate to ask if you have any questions.

Your Arrival

When you arrive you will either be brought directly to your host family or your host family will pick you up from school. Don't worry if you feel a bit disoriented at first, your host family will do their best to make you feel at home and to help you to settle in.

Your First Day

On your first Monday morning your host family will either accompany you to school or show you the way. On your first day you will have an English test so we know exactly what your level is and can place you in the correct class. After your test, you will have an orientation where we explain the programme and how everything works, and where everything is. You will be given an Emerald student card which has your name on it and also the details of your host family and of the school. It is very important to keep this with you at all times.

You will then begin your first English lessons. Classes may be held in the morning or afternoon. On the first day students will also have an orientation of Dublin city centre.

What Is Expected Of You

Respect - Students must treat all staff, members of the public and each other with respect at all times.

Please And Thank You – Students must remember to be courteous and show good manners to staff, catering staff, members of the public and each other.

Speak English – Students are expected to try to speak English at all times whether you are talking to people of the same or different nationalities.

No Bullying – Bullying is the deliberate and/or repeated action of making another person unhappy. Bullying of any nature will not be tolerated and may result in students being sent home at their own expense. Students are also expected to report any bullying which they see to an ECI member of staff.

Integration – Students are expected to try to integrate with all of the different nationalities and ethnic backgrounds that we have at our centres. Students are also actively encouraged to try to learn as much as possible about the different countries that other students come from.

Staying in a host family

Don't be afraid to ask if you have any questions.

Your host family will show you your room, which you will be sharing with another student. You will be given towels. Your host family will provide you with breakfast and dinner at home, and a packed lunch to take to school every day. They will also give you a packed lunch to take on your excursions at the weekend. Always be polite and respectful with your host family and don't be afraid to ask if you have any questions or if there is anything you need.
