Experience Tradition, Embrace Innovation

## Overview

Individual Tuition is designed for students who need intensive English language training and who feel that a one-to-one approach is a more effective learning method for them. It is also suitable for students who have limited time at their disposal.

## Tuition

For individual tuition a tailor-made course is provided to suit the exact needs of the student. The number of private classes and the learning areas to be covered during the programme can be arranged in advance or when the student arrives at the Institute. The student discusses this in detail with the Director of Studies and the student's personal teachers.

## Timetable

A tailor-made timetable can be agreed between the student and the teacher.

## Levels

Individual tuition is offered at all levels from complete beginner to advanced.

## Minimum Course Duration

One week.

## Age Group
