The striking mix of mid-Victorian architecture and contemporary, state-of-the-art buildings offer a blend of old and new and creates a very special atmosphere. The variety of spaces and facilities make St John's the ideal place for our summer school.

The campus has a very safe, compact feel with lots of green space to relax. The facilities we use are all close together, with a short walk between the dining room, classrooms, sports facilities and accommodation areas.

General Information

Medical Information

All students studying in England should obtain appropriate medical insurance in their own country before departure. Students travelling from EU countries should bring their European Health Insurance with them. Non-EU students should travel with a copy of their insurance policy.

Our on-site team will be happy to assist with making the arrangements for students who require medical attention. We would ask that parents or group leaders inform us at the time of booking about any conditions or relevant medical information which we should be aware of, so we can inform our staff.

Students should cover the cost of transport if required for any medical visits. Group leaders are required to accompany their students to doctors/hospitals. A member of staff will accompany individual students.

Smoking/Alcohol/Illegal Substances

Smoking is prohibited inside school property. Alcohol is strictly forbidden on campus. Consumption or possession of alcohol or any illegal substances will result in immediate expulsion.

Safety

We advise all students not to carry large amounts of cash, passport or travel documents on their person during their stay.

Health and Safety

As part of their welcome orientation students and group leaders are required to attend a short briefing on the safety regulations. The briefing includes an introduction to life in the school, security of personal property and fire safety. Group leaders and students will also receive details of First Aid procedures, which they should follow in the event of an accident.

Emerald Student Identity Card

All students are issued with an Emerald Cultural Institute student wristband on their arrival. Students should carry their student ID with them at all times and may be asked to produce the card by the security or residential staff.

Student Supervision

Our team of Managers, Teachers and Activity Leaders provide the highest level of service and ensure that students enjoy every aspect of their stay with us. In orientation students meet residence and activity staff. Minors under 18 travelling unaccompanied are assigned a specific member of staff who will be their reference point and will meet them on a daily basis.

Discipline and Breach of Conduct

If students' behaviour or conduct is unsatisfactory or in breach of school regulations, they will be subject to the School's disciplinary procedures. A serious breach of conduct may result in expulsion.
